Bellevue, Washington

Driving across the border to neighbouring Washington has always felt familiar. Born and raised in the Pacific Northwest, the Evergreen State has the comforts of home, but with an American twist. Despite my love for the area, I realized that I really haven't explored much beyond downtown Seattle, The Gorge in George, and the views along the never ending I-5 en route to Portland. It's now top of my local travel list to explore beautiful Washington and discover new gems, like Bellevue!

Where To Stay

AC Hotel by Marriott

208 - 106th PI NE, Bellevue, WA

We had such a lovely time at the brand new AC Hotel by Marriott. The location was right near the action of Bellevue Square, so everything was walkable. Our room was incredibly comfortable and had thoughtful touches like a built in bench for bags, easy bedside phone charging, and a fridge. Also recommend grabbing a drink and appies in their lounge.

We had sips from Warr-Kings Wines, Patterson Cellars, and Love That Red Winery. I also recommend:
